

University of Florida | Department of Medicine
Division of Nephrology and Hypertension
Nephrology Clinical Case Conference

“Renal Artery Stenosis”

Presented by:
Violeta Alvarez Retamales, MD
Nephrology Fellow

Friday, May 20, 2022 | 12:00 pm – 1:00 pm
ZOOM Meeting

LEARNING OBJECTIVES:

Upon completion of this activity, participants should be able to:

1. Discuss the diagnosis of renal artery stenosis with emphasis on the pros and cons of available imaging techniques
2. Review therapeutic options for renal artery stenosis
3. Review the literature available comparing intervention with conservative management

Disclosure

Violeta Alvarez Retamales, MD has disclosed that she has no relevant financial relationships. No one else in a position to control content has any financial relationships to disclose. Conflict of interest information for the CME Advisory Committee members can be found on the following website:
